Dear Mr. Konish:

The attached are for your immediate use and distribution as we discussed.

A copy of the attached letter to GRU was sent in today's U.S. Mail and also by email to GRU Attorney S. McNeill. The letter directs her to contact me if she wants a copy of your Activity Record, which will then be sent by you to her with your permission.

A copy of the letter was also sent by U.S. Mail to Gainesville Mayor Ed Braddy as indicated at the bottom of the letter. Neither Ms. McNeill or the Mayor presently has the Activity Record pages 11-16, but you are free to distribute it as you see fit.

Thank you,

John Caravella
