

RAMIFICATIONS

- 1) All Electric Customers are **OVERCHARGED** .00641 on their fuel adjustment charge.

- 2) All electric but not gas customers pay an illegal local tax on the state **GROSS RECEIPTS TAX**, which includes an expressly prohibited (§166.231 (1)(b)) maximum 10% tax on .025641 of the “fuel” adjustment charge.

- 3) Out-of-City GRU electric but not gas customers pay the **GROSS RECEIPT TAX** more than three (3) times: (1) **GROSS RECEIPT TAX** on (2) the **GROSS RECEIPT TAX**, then the surcharge on the **GROSS RECEIPT TAX**, and (3) the **GROSS RECEIPT TAX** on a basis inflated by the pyramiding **and** the surcharge, and also pay an unauthorized maximum 10% County public service tax on electricity, gas and water customer charges. The surcharge is illegally applied to the state **GROSS RECEIPT TAX** for electric but not gas, and therefore another .025641 of the “fuel” adjustment charge, and this inures to the benefit of the city of Gainesville.

4) The effective local tax rate in the city of Gainesville is 13.6139%. (2/5/2014 – bill for 814 kwh)

5) The effective local tax rate out-of-the city of Gainesville is 13.2116%. (2/5/2014 – bill for 814 kwh)
